Kiwanis Club of
Cable Beach
(October 2014)

Message From The President

Mahatma Ghandi, one of the foremost religious authorities in

the World, is known for one famous line; "Be the change you wish to see in the world." From the precipice of this one thought he has carved a path that many peoples follow. In short, he changed not only his world, but the worlds of many. It is from this pedestal that I would like to be guided in this incoming term as the 47th President for the Kiwanis Club of Cable Beach. Change has no skin color. It has no age or even nationality. Change is supported by will and is guided with vision. Change is lead by the heart.

I am truly honored to be the leader of the change movement that you have elected into place. It will be a

KIWANIS INTERNATIONAL

OBJECTS OF KIWANIS

- To give primacy to the human and spiritual, rather than the material values of life.
- To encourage the daily living of the Golden Rule in all human relationships.
- To promote the adoption and application of higher social, business, and professional standards.
- To develop, by precept & example, a more intelligent, aggressive, & serviceable citizenship.
- To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, & to build a better community.
- To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and good will.

Got your formula for 2014-15?

What's your formula for success? Do these things to get off to a strong start:

Set a plan. What's your club's formula for success? Our [Planning for club excellence](#) tool will help you establish a direction and then delegate tasks to see it through.

Survey your members. Happy members share what they love. If it's been awhile since you asked members how satisfied they are with the club experience, our [Measuring member satisfaction](#) tool offers a sample survey and a variety of ideas for starting a conversation.

Look at your impact. How well do your fundraisers support your club's goals? Our [Analyzing your impact](#) tool will help you decide if it's time for a change.

Call for back-up. Call on a past president; club counselors are also a great resource.

President's Message contd.

Movement that will put smiles on the faces of our children, the warm feeling in the bellies of our elderly and fulfillment in the hearts of our members. This change will reach into our community and answer the call that we are compelled to answer. This year I will lead the change by:

- *Establish a Satellite Club on the of Great Inagua
- *Collaborate with the Ministry of Youth to develop a mentoring program that directly targets teen fathers and boys with a disciplinary issue in the school system.
- *Establish SLP programs on the island of Inagua (at least 1 K-kids, Builder's and Key Club)
- *Successfully promote and raise funds for the Eliminate Project
- *Continue Operation "Happy Child" (Food, Clothing & Toy Bank)
- *Re-engaging inactive members/ retaining full membership
- *Fully support the construction of the Roy Davis Kiwanis Centre
- *Organize programs geared towards boosting the physical, emotional and physiological needs of membership
- *Promote The Formula: Love it. Share It. Live It.
- *Support our Sponsored Youth Pro-

grams

When I came to the KCCB in January 2012, if you had told me that some day I would have gained the support of so many great persons to become President of this club I would have insisted that, there would have been a lot of change that would be required. Yet today I stand here as your president, humbled that you would elect me. I am Grateful that you have loan me your trust. I am Happy that I can now unleash the vision that God has placed in me for such a time as this. A vision that will lead this Club in upholding the Objects of Kiwanis International, make an impact on our communities and serve the people of our country.

Today I say a great big thank you to my immediate predecessor, President Joan Erica Knowles-Turnquest and the 45 other Presidents that worked to make our club the greatest. My theme for this 2014/2015 administrative year is **"Living the change we wish to see; making a difference TOGETHER!"**
